Western District –

Jan and Ken – thanks to everyone who helped. ATTABOY to all who helped. Ken especially appreciates all who helped, positive feedback from parents. Lots of effort, but more youth support needed. If you, as an experienced referee notices that a Youth's is assigned, step up and be mentor.

The additional on site instruction is paying off, please help mentor our youth.

Situations –

Jennifer Harper –

U16 Boys Premier, Lonestar and San Antonio.

Tussling in box, Kid goes down screaming. No idea who did what? Kid says 'he' punched me. AR did not see anything. Wanted to give a red card, only gave a yellow.

Kid who was down identified tussling-er. Watch what is going on in the box.

One option – threaten to give the tussler a red card, let him identify who did it?

Cannot show a yellow card if did not see who did it.

Paul –

Player had ball kicked at her in the Penalty Area. She shielded her face with her hands. Called PK, influenced by movement of hands. Self defense is not a foul. In HS, it is. Assessor says it was a good call.

Ken Perkins –

Let's be reminded that it is called –

Penalty area vs. box.

Eject players vs. send off.

Mike Day –

Observed a U12 Boys game. One AR was 15, the other AR was 13. The center referee kept discounting calls made by the 13 yr. old AR. Young AR put up the flag, was not accepted by the center. The question is, when is an AR insisting and not assisting. Then, pushing and shoving occurred across from young AR. Again, flag up, trying to get the Center's attention. A fight ensued that could have potentially been prevented if the Center had used his young AR.

Ajourned – 7:40
