2005 CASRA dues are due – paid by March. If not paid, cannot participate in drawings, training, etc. Recert training and test is paid for with dues. Youth is a \$5 discount.

Casra T-Shirts – see Doug. \$10 for short sleeve, \$15 for long sleeve.

New Business –

Attitudes – Austin Classic Tournament

Referee inconsistency with jewelry, etc.

Referees were letting the spectators and coaches out of line.

KJSR – DJ plays soccer. How shocked and appalled. Parents and coaches were bad.

Dissent, foul language – 12 year old boys.

2 out of 3 games – bad.

Coaches beating on each other at 7:15 game.

How to deal with coaches, parents ???

No such thing as consistency ??? Only apply the laws as they apply for that game?

What is the tolerance level, what was the follow language. The “F” word, had to deal with. Pre game instructions? How dealt with? Did it stop? Yes. Deal with it early, after that, it is their problem. We have the option to abandon games.

Examples followed

Dealing with parents, not everyone does not have the ability to approach the parents in a professional manner.

Snuff this stuff now, then won't be in May.

Report bad coaches/parents to assignors.

Kyle will try and resolve issues at the club level for the Capitals.

Laura – on a positive note, young linesmen were great. Instructional programs are paying off. If you are an adult AR with a youth center, step in and help the young center when necessary.
