

## MINUTES OF CASRA MEETING – 05/07/2007 - UIL Building

1. Meeting called to order by President Dave Robertson at 6:35 pm. Minutes were emailed and copies were on the table in front.

Note from the State Director of Instruction. Beginning July 1<sup>st</sup> all clinics and registrations will be electronic. There will be no walk-ins. You can't take the clinic if you are not registered on the "new user friendly" website. Web site will be available to all instructors that can grade the test results and forward them. You will also be able to pay for the clinic on line. Periodically check the website, [www.stsrref.org](http://www.stsrref.org) to insure that you name, grade and address are accurate. You can log on to correct any errors, except your grade level.

Paul Stansberry notes: Keep your 16 digit USSF registration handy to use when needed to register for clinics. The State Referee Administrator has up the bar for referee working Youth cup championships. Now those selected referees must pass the grade 06 physical. CASRA will work on the physical testing. You can download an incident form from the USSF website in case you need to report any incident. See attachments of: Summary of the SRC Meeting and the Full Report of SRC Meeting, April 2007.

2. Introduction of Guests:  
None.

### 3. Reports

- (a) April 2007 Minutes were approved as submitted.
- (b) Treasurer: We have \$3248.73 in the bank.
- (c) Secretary: (Marcello Rodriguez) No report
- (d) Vice President: (John Smith)
- (e) CASRA President's Report: (Dave Robertson)
- (f) Webmaster (Mike Day) Web is up to date.
- (g) Area assignors

(Janice Taylor) She will be assigning the U10 tournament at Slaughter creek, May 12/13. There is a list of area assignors on the CASRA website.

4. Old Business: None

5. New Business: Tom Ayars, **local area assignor**, mentioned the problems in assigning enough referees to cover all the games and tournaments. What influences the referee as to where they will volunteer to referee: Payments from different tournaments, distance and cost of gas. Problems surfaced **when** there were late communications of the movement of the tournaments.

Discussion on payment from the Men's League was discussed again. The league will not get into a competition on pay. There is a new member on the league's council that may be more

receptive to a pay increase (Mark Elbom).

Another note from the assignors: Check Kidsafe passes of all non-players on the bench. Who is to check that the referees have Kidsafe passes? The gatekeepers are the assignors for all games.

6. State Referee Administrator (SRA) – Steve Eells No input.

7. The meeting closed at 7:30 pm for training by Michelle Maloney on the New Rules Changes. These changes will be listed on the CASRA website sequentially.

Respectfully submitted,  
Marcello Rodriguez
