(d) CASRA President (Dave Robertson):

For those of you that missed the CASRA meeting last month, the Board decided to make a donation to Kate Singleton, soccer referee that was injured in a car accident. The form of donation is a gift certificate from an organization called EAT OUT IN. This organization has menus from about 20 local restaurants that will deliver directly to your door, taxes and gratuity included. So all Kate's parents have to do is pick a menu, order an item, call, and then enjoy when it arrives. Since there are a large variety of restaurants involved, the person ordering can get just about anything they want. Several of you asked for details about how to contribute. I just did it and it is pretty easy. Go to **Error! Hyperlink reference not valid.**

At the top there is a green menu bar. One of the options is "Gift Certificate". Click on that and a page will come up requesting the following information for the recipient of the gift: name: Diane Singleton. Address: 2702 Tether Trail Austin 78704 phone: 512-443-2403

Complete your information as the giver (I just entered "Soccer Referee" instead of my name). You will need a credit card, but can contribute any amount. When you finish click on the "Mail" button for how to notify and you are done.

If each of us sends in just a small amount, it will certainly help the Singleton's out a lot.

(e) Webmaster: (Mike Day) No report.

(f) CASRA Director of Instruction: (Mike Day) There are two Memo's on the Website.

(g) Director of Assessments: Saki Papadopoulos. Not present.

(h) District Three Representative (Paul Stanberry):

One addition to last month's report is that an assessment for a National Referee will be increased to \$100.00.

Respectfully submitted,
Paul Stansberry
