

MINUTES OF CASRA MEETING – 01/04/2010 - UIL Building, Austin, Texas

1. Meeting called to order by President Dave Robertson at 6:30 pm.

Explained the role of CASRA organization. CASRA meets here the first Monday of every month except July and in September we meet the second Monday. The primary benefit of joining CASRA is that we have training every month starting in March and if you come for your training you will get five hours that will count for your certification. You don't have to enroll all Saturday somewhere. We also talk about game situations, assignments and tournaments, comradeship and door prizes raffles (socks, whistles, etc.) for members. The fee is \$30.00 which is what it would cost you at a state sponsored clinic. We will start collecting dues tonight

If you bring in a new member we will give you \$10.00 off your membership dues. Think about this and we will vote on it in March. We vote on the new budget in March also. It will be on the website CASRA.NET.
